January 2018

Dear St. John Bosco Supporter,

On April 21, 2018, St. John Bosco Catholic School will host our 17th Annual Bosco Gala. This evening gala at the DoubleTree by Hilton Tempe will include cocktails, dinner, live entertainment, a live and silent auction and an onsite casino to finish off the festivities.

Annually, the funds raised from the Gala are utilized for specific projects on campus and designed to enhance our students' experience. It is with great excitement that we are able to share this year's funding priorities.

This year's goals are focused with our 21st century learners in mind by continuing to make technological and curriculum updates across all grade levels. While all of our classrooms contain Smartboards, many are out of date and need to be replaced with the most up-to-date technology-this is where the majority of our funding will go. In addition, with curriculum standards changing at the Diocesan level, St. John Bosco aims to meet and exceed these requirements by purchasing new textbooks, instructional aids, and more.

Paramount to the success of this event is the live and silent auction. Today we ask you to support us by donating an item to our Bosco Gala auction. With your contribution, you and/or your company will receive recognition for the item along with helping to raise funds for St. John Bosco. Donations can be memorabilia, and/or any item you as a guest would consider bidding on.

Thank you for sponsoring and investing in St. John Bosco, a school dedicated to educating today's children for a better tomorrow. We look forward to working with you and making this event the most successful yet.

Gratefully,

The Bosco Gala Sponsorship Committee
